INSTRUCTOR CERTIFICATION COURSE

A FORCE FOR ORDER

Over the past decade, training has become a major priority for law enforcement and corrections officers. At the CTS Training Institute (CTSTI), we take training seriously advocating preparedness before the worst case scenario unfolds. CTSTI is "A Force for Order" combining product tools with knowledge and techniques. It prepares the individual officer for the situation while addressing policy and procedure for the agency managing the risks.

4 Day Instructor Certification Course \$695.00

All courses are taught on an 8 hour per day basis and include classroom and range exercises. Information provided, will include history of the product, nomenclature of the product, use of force considerations, hands on applications for the product, training examples, and legal implications.
