

NRA Select-Fire Instructor

Hosted By the

York County Sheriff's Office

March 29th thru April 2nd, 2010

This school is designed for the select-fire firearm with full-automatic capability and applies to both submachine guns and rifles. Classroom presentations cover how to teach basic fundamentals of marksmanship, handling, zeroing, practical range drill development, and liability issues. Range work covers marksmanship, operating techniques, use of cover, various firing positions, pivots and turns, use of the safety circle concept, reloading under stress, firing on the move, multiple threats, decision-making, reduced light threat identification and firing, semi-automatic, burst and automatic firing trigger control, and handgun transition techniques. Students design a tactical course of fire and are responsible for developing a lesson plan and running fellow students through their course at the end of the week. In addition to the above mentioned equipment, the following are **ALSO** necessary for this school:

- Duty-type, law enforcement select-fire rifle or submachine gun capable of being fired single shot **and** full-auto, equipped with a sling.
- At least three magazines with a capacity of 20 rounds or more.
- 1,500 rounds of duty or training rifle ammunition.
- 100 rounds of duty or training handgun ammunition.
